An increasing number of patients undergoing procedures involving anesthesia have made arrangements to take public transportation without being accompanied by a responsible adult (not including the driver), which is not our policy.

A patient may take public transportation such as Uber, Lyft, Taxi, Para Transit, Round trip, Link County Connection, **ONLY** if accompanied by a responsible adult over 18 escorting them home.

A patient can travel unaccompanied if using one of the following non-emergency medical transportations, as they assume responsibility for the patient's safe arrival.

Here is a list of non-emergency medical transportations for your convenience:

- United Medical Transportation **(925)427-9600**
- Bay Medic Transportation **(925)689-9000**
- Medic Shuttle **(925)228-6000**
- One Access Medical Transportation **(510)648-2085**
- Safe Ridezzz **(925)399-1762**
- Trinity Medical Transportation **(925)428-2790**
- A & Z Transportation **(925)567-5766**

Patients must make arrangements with these non-emergency medical transportation services a few days prior to their procedure date to ensure a smooth process.

For any inquiries, please contact Adriana or Kim in our admitting department at (925) 691-5000.
