Colonoscopy Preparation Instructions (2x Dose)

Date of Procedure : _____

Arrival Time: _____

Premier Surgery Center/Diablo Plaza Surgery Center:
2222 East Street, Ste: 200 Concord CA 94520

Executive Surgery Center: 1320 El Capitan Dr,
Danville, CA 94526

The important part of a successful colonoscopy is to have a clean colon. If the colon is not clean, cancer, polyps, flat lesions or other abnormalities may be missed. A clean colon is safer to conduct the colonoscopy. Standard prep does not guarantee a clean colon in all patients and additional prep may be needed in a small number of patients. Average procedure time is 20 minutes but could be much longer. You are expected to spend 2-3 hours at the surgical center. The instructions below will walk you through the steps that are necessary to maximize the cleanliness and safety of your colonoscopy.

- Arrange Ride Home: No sedation could be administered without a rider home per California law. Self-Rider on Uber, BART, taxi, limousines, and public transportation are not allowed.
- Pick up bowel preparation as soon as possible as the medication may be out of stock.

When	Action	Examples
Up to 5days Prior	<ul style="list-style-type: none">• Important: Medication change may be needed; read all of them. After colonoscopy	<ul style="list-style-type: none"> Rest 	<ul style="list-style-type: none"> No driving for the rest of the day or making major decisions.

Tips:

1. Nausea, bloating, or abdominal Cramps are common during preparation. If you have severe abdominal pain or violent vomiting, stop drinking the medicine. If the symptoms do not improve within an hour then go the ER.
2. We need to make you aware, that even though you are scheduled for a screening colonoscopy which is covered under your health insurance as preventative, if the doctor finds polyps, flat lesions, or another problem during the procedure, your procedure goes from a screening colonoscopy to a therapeutic colonoscopy. We would advise that you contact your insurance company because you may possibly be financially responsible for costs.
3. If you need to cancel or reschedule, kindly give 5 business days to do so or there will be a \$100 fee; this will not be covered by your insurance company.

If you have any problems drinking your colon preparation solution or have any questions, please call our office even if the office is closed at (925) 776-7600.
